

# HAVE INSIGHTS TO SHARE?

## BE A MENTOR IN THE CFANS MENTOR PROGRAM

What if you knew then what you know now? No one does it alone. Be a positive part of a CFANS student's professional journey. Share your insights about careers in food, agriculture, and natural resources. Your career insights will open a world of possibilities. Be one of nearly 200 alumni or professional matches with a CFANS student.

### AS A MENTOR YOU WILL:

Meet your mentee at an engaging kick-off meeting (highly recommended but not mandatory)

Connect with your mentee during monthly meetings, in-person or electronically

If possible, host your mentee at your workplace for a half-day job shadow

### APPLY BY SEPTEMBER 23rd

*"Knowing you're able to make a difference for a student – you're able to share your experience, your knowledge, your network – makes a difference. Knowing you're setting someone up for success, that's the best part of it."*

Paul Hugunin  
Mentor
