*FL, GA, and MA do not use online application, see apply.nyscamp.org for application process in these states.

OVERVIEW

In its 59th year, the National Youth Science Camp (NYSCamp) is a science, technology, engineering, and mathematics (STEM) program designed to honor and challenge some of the nation's rising STEM leaders and provide them with opportunities to engage with industry professionals and participate in exciting outdoor activities. Due to the ongoing COVID-19 pandemic, the 2022 NYSCamp will again be an entirely virtual experience for two accomplished high school graduates from each state in the USA, plus Washington, DC, and select countries. More information can be found at www.2022.nyscamp.org.

HIGHLIGHTS

- Daily lectures, directed studies, and seminars with leading scientists.
- Engaging programming in the natural, physical, and computer sciences, creative arts, and outdoor recreation.
- Opportunities for delegates to engage with STEM professionals, staff, and each other in fun and meaningful ways.
- Special events and surprise guests throughout NYSCamp.
- Delegates attend **free of charge**.

ELIGIBILITY

- Graduates from high school between 1 July 2021 and 30 June 2022.
- Documented superior academic proficiency.
- Recognition for notable achievements in STEM program areas.
- Skills and achievements outside of STEM and/or academics.
- Intent to pursue higher education and a career in STEM.
- Submit an application at apply.nyscamp.org on/before the deadline.
