73rd Annual Southern Minnesota Regional Science & Engineering Fair

Are you ready to unleash your inner scientist?

Do you have a passion for exploring the mysteries of the universe?

Do you want to showcase your creativity and skills to the world?

If you answered YES to any of these questions, join us at the Southern Minnesota's Regional Science & Engineering Fair!

<https://link.mnsu.edu/sfvol>

The Southern Minnesota Science and Engineering Fair fosters a passion for exploration and discovery in students from third grade through high school.

Participation prepares students for college, allows them to compete for scholarships and introduces them to career opportunities in science and engineering.
