

Teacher Courses

SUMMER 2023

No course fees; stipends will be provided to successful applicants.

Biotechnology: The Basics
June 26-30, 2023; 9:00am-4:00pm

***Are you interested in incorporating
biotechnology topics in your teaching?***

Biotechnology: Beyond the Basics
July 10-14, 2023; 9:00am-4:00pm

***Have you mastered the basics and are ready to
take the next steps?***

For both courses: Enrollment is limited to 16 participants, who may be eligible to receive a \$625 stipend. See online registration form for details on how to apply. In order to receive a stipend, teachers must submit a 2-3 page summary report to the BTC Institute during Academic Year 2023-2024 that documents how selected course content was implemented with students and colleagues.

GRADUATE EDUCATION CREDITS: optional, paid for by the participant.

LOCATION: BTC Institute, 5445 East Cheryl Parkway, Madison, WI. Discounted lodging available nearby.

DETAILS & REGISTRATION: <https://www.btc.org/k-12-programs/programs-for-teachers/>

CONTACT: Aidan Holmes (aidan.holmes@btc.org)

“These have been two phenomenal courses that I would not wish anything to have been done differently. This tops my list of best workshops I’ve ever attended. I have learned and been able to use so much with my students! Thank you.”
