### MINNESOTA STATE CENTERS OF EXCELLENCE TEACHER TRAINING INSTITUTE:

- Professional development for STEM educators working in and out of the classroom.
- Engaging **60 minute webinar series** for educators.
- Webinars will feature **ready to implement activities** and resources with guidance for implementing in virtual and distance learning settings.
- Designed to **inspire interest in students** and set them on the right track to pursue career pathways that lead to high-demand and high-pay in jobs in Minnesota.

### WHO SHOULD ATTEND?

- STEM Educators (In, Out, or Beyond the Classroom) working with 5th-12 grades and 1st year college students
- Educators seeking to inspire students through **hands-on, experiential-based STEM activities**.
- Educators connecting students directly with **career pathways** in agriculture, healthcare, engineering, transportation, and manufacturing industries.
- Webinar features are designed for **ALL educators** with or without a background in these fields.
- Attendees will be eligible for Continuing Education Units (CEUs).
