

Elementary principals and teachers. Are you looking for support teaching elementary science?

Minnesota Science Teachers Association has an offer for you!

MnSTA is offering a one-year membership that covers ALL the teachers in your building for only \$75!

Each teacher will get full access to our monthly newsletter, all online science resources and the member rate for our annual science teacher's conference!

If you would like more information or to take advantage of this great offer, please email:

Lee.Filipek@district196.org or
Kandy.NolesStevens@smsu.edu
