

High School Earth Science teachers!

ESTEP is a fast paced, one week, bootcamp style, regional workshop that focuses on a specific set of earth and space science benchmarks AND the teaching strategies you will need as you make the shift to science sensemaking with your students.

- Deepen your understanding of earth science concepts through investigations!
- Utilize 3-dimensional strategies by DOING the science!
- Begin building confidence in your unit and lesson planning!
- Collaborate and discuss how phenomena and storylines relate to particular investigations!

Summer 2023 Benchmark Content Focus

June 26 – 30

Physical Geology/Earth Systems

Fond du Lac Tribal and Community College

Participant registration is on a first-come, first-served basis. Registration is considered complete when **REGISTRATION FORM** is completed, and non-refundable registration fee is received by MnSTA. Completed participant registration will be confirmed via email. The non-refundable registration fee is \$150.00 and does not include lodging, meals or transportation. Participants can choose a stipend of \$300 OR 3 graduate credits (requires assignment completion in addition to attending boot camp) upon completion of the boot camp. The stipend OR graduate credit is paid for through a generous grant from the **Minnesota Environment and Natural Resources Trust Fund.**

Did you miss last summer's boot camp? We are offering a repeat this summer!

July 24 – 28
Hydrology/Geology
MSU Moorhead

Questions? Check out our website **HERE** or contact Dana Smith, ESTEP Coordinator damedu2018@gmail.com Be sure to check out **ESTEP online courses** too!

MnSTA/ESTEP Diversity, Equity and Inclusion Statement

We are committed to reflecting the diversity of Minnesota educators that participate in our programs. We are especially focused on teachers of BIPOC and underrepresented populations, alternatively licensed educators, and educational assistants working toward licensure.

Funding for this project was provided by the Minnesota Environment and Natural Resources Trust Fund as recommended by the Legislative-Citizen Commission on Minnesota Resources (LCCMR).
