

DEPARTMENT OF RADIOLOGY

Mayo Clinic School of Health Sciences Imaging Programs Open House

Nuclear Medicine Technology, Radiography and Sonography

Event Description

Radiology is a medical specialty that utilizes medical imaging techniques to diagnose and treat diseases. Careers in radiology require independent judgment, ingenuity and initiative to obtain diagnostic images in a professional atmosphere that emphasizes patient care. As a student in the Mayo Clinic School of Health Sciences, you will be positioned at the heart of our world of premier patient care and cutting-edge research in the fields of Nuclear Medicine, Radiography and Sonography.

Visit a State-of-the-Art Facility

FOR: Students, parents and advisors

WHERE: Mayo Clinic
Geffen Auditorium, Gonda Building
200 First street SW, Rochester, MN

WHEN: Saturday, October 26, 2019

TIME: A short program will begin at 9:00 am followed by tours of imaging areas. The event will conclude at noon.

PARKING: Damon Parking Ramp
Please visit our web site for maps of our campus, including parking at:
<http://www.mayoclinic.org/travel-rst/maps.html>

DIRECTIONS: From Damon parking ramp, take the elevator to subway level—this is the only entrance open. Student guides will direct visitors to Geffen Auditorium in the Gonda Building.

Pre-register for the open house before Wednesday, October 23rd.
