

JOIN TEACHERS FROM **MNSTA REGIONS 1 & 2**

FOR A DISCUSSION ABOUT THE

NEW 2019 ACADEMIC STANDARDS IN SCIENCE & ENGINEERING

WEDNESDAY, APRIL 26TH

3:30-4:30PM

FREE FOR MNSTA MEMBERS!

Dr. Angela Kolonich, MDE's science specialist, will join us to explain the new standards and answer questions. This will be a good time to connect with other teachers from our regions to see how we're progressing in implementation of the standards, share what works or challenges we're having, and hear about available resources to help transition to these new standards.

This will be a **virtual meeting**.
