

MINNESOTA STATE CENTERS OF EXCELLENCE

# Teacher Training Institute

Join us as we work together to inspire the next generation of Minnesota's workforce!

**WEDNESDAY, AUGUST 12, 2020 | 8:30 AM – 4:30 PM**

Century College | 3300 Century Avenue, White Bear Lake, MN 55110

The Minnesota State Centers of Excellence have joined forces to offer the **Minnesota State Centers of Excellence Teacher Training Institute**. This program is a professional development opportunity for all types of educators teaching Science, Technology, Engineering, and Mathematics (STEM) related courses or out-of-school programs. The curriculum and programs that we offer training on are designed to inspire interest in students and set them on the right track to pursue career pathways that lead to high-demand (and high-pay in many cases) jobs in Minnesota.

## WHO SHOULD ATTEND?

Any STEM Educator working with grades 3 - 12, including in-school, afterschool, and beyond the classroom. Educators will have the opportunity to become trained in various STEM curriculum and programs. Attendees will be eligible for Continuing Education Units (CEUs). Featured Curriculum includes: STEM+Ag Career Pathway Curriculum, Explore Engineering Kits & Curriculum, and Health Science Hands-on Activities

## WHAT IS THE COST TO REGISTER?

\$50 Earlybird (ends July 1, 2020); \$75 After July 1, 2020
